With this the signee confirms the validity of all data.

You accept the digital storage and the transmission of your data to the "GITZ" of the TU Braunschweig for the purposes of network administration.

With this you formally declare your intention to be accepted as a passive member of the club SchunterNet e.V. until you terminate your membership. You also accept the terms of service of this club and all further accompanying regulatory documents. Changes of these will be communicated after a membership meeting has formally ratified them.

*The processing of this form can take up to two weeks.

†For more information please visit our website: <https://schunternet.de>.

‡Please add your secondary choice, if this is as well not usable we will select a user name for you. Permitted are letters a-z and digits 0-9.

§We will send all communication with you at this email address.

¶These are the mailing lists of the bar Schuntille e.V. and the cinema Schunterkino e.V..

After the activation of your account you are expected to pay the usage fees as documented in the fee document of the club SchunterNet e.V. , your usage of the network will be terminated if you don't pay.

The network access can only be used with the given network adapter and the ip-address assigned by us. Neither changes to the networking hardware and other physical parts of our network or the usage of bridging, routing and masquerading techniques are allowed and will lead to the immediate suspension of your connection as well as your termination as a member of the club.

As the only accepted user of your connection you are liable for any and all activities with the connection. Especially you are liable that the connection will only be used as permitted by the university TU Braunschweig. As well it is part of your obligations to withhold access to the network to any third party.

The access to the resource of the GITZ and the World Wide Web is to be used primarily for research and teaching. This includes the usage to extend your knowledge of computer science, to learn how to properly use search engines as well as the optimizations of your existing computer hardware and software.

The usage of the network resources for commercial purposes is strictly forbidden. The network shall never be used to transmit illegal content.

In the internal network you can use all offered services. You are not allowed to offer services that negatively influence the network or the experience of your fellow club members. Any and all interception of data transmissions and the unauthorized access of foreign data as well as the unauthorized access of foreign computers is forbidden. Software and documentation can only be supplied, copied or used by you or the club SchunterNet e.V. in compliance with the licences.

Damages can't be leveled against the network operators. There is no right or obligation for the uninterrupted function of the network or of all offered services.

The "*Nutzungsordnung zur Informationstechnologie der Technischen Universität Braunschweig*", the "*Informationsdienste-Ordnung der Technischen Universität Braunschweig*", as well as the "*Informationssicherheitsordnung der Technischen Universität Braunschweig*" are part of the contract, as far as they are applicable.

The notice period is six weeks before the end of the month.

I have read the "*Nutzungsordnung zur Informationstechnologie der Technischen Universität Braunschweig*", the "*Informationsdienste-Ordnung der Technischen Universität Braunschweig*", as well as the "*Ordnung zur IT-Sicherheit der Technischen Universität Braunschweig*" and accept all applicable terms.

I have accepted the data protection agreement and agree to the usage of my data for all communicated services.

Brunswick, the _____
